

Ithaca Health Alliance Community Grants Program

Community Grant Application:

The Ithaca Health Alliance mission is to facilitate access to health care for all, with a focus on the needs of the uninsured. The Health Fund has been established to facilitate access to health care and wellness of our members. Community Grants, from the Health Fund to other nonprofit organizations, will contribute to our community's general health and wellbeing through specific health & wellness projects. Applicants should be aware that IHA budgets for a total of \$200 in Community Grants per month. Grant requests in excess of this amount may be ineligible if monthly Community Grant award amounts have been met.

Please fill out this application and attach a one-page cover letter on organization letterhead, providing the following information:

- a brief overview of your organization, history & mission
- what community service do you provide?
- the scope of your proposed project
- how does this project promote health and wellness?
- what is the timeframe of your project?

Date of application: _____

Name of the organization: _____

Contact person: _____

How long has the organization been in operation? _____

Address: _____

_____ website: _____

Telephone: _____

e-mail: _____

How much money is requested? _____

Projected budget for these funds: _____

Provide the following additional information:

- Registered not-for-profit status
- Tax exemption number
- Tax ID number
- Any other pertinent information

All grant recipients will furnish a 1-page report summarizing the allocation of grant funds and the success of the project.

In order to give back to our pioneering communities, preference is given to organizations within 30 miles of Ithaca, NY. The Ithaca Health Alliance operates within the State of New York only, and grantable projects must be conducted in NY.
